# We wanted to show you what your school looks like

It has changed, but we want to reassure you that there are still the same friendly faces and we will support children to make their return to school positive and as normal as possible.

There will be separate entrances and exits

Please follow the footprints and remember – keep 2 metres apart

Please wash your hands when you arrive

There are hand sanitisers throughout the school

Corridors are one-way systems to help with social distancing

Numbers will be limited in small areas

There are new classroom layouts with desks 2 metres apart to accommodate smaller classes

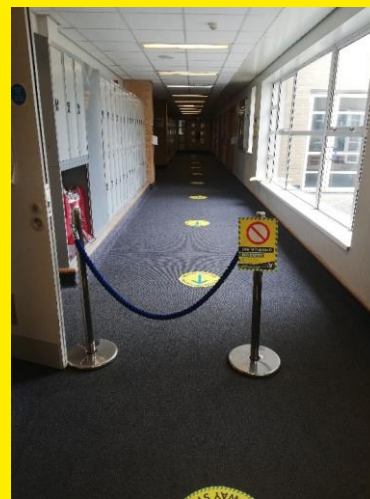

Remember – catch it, bin it, kill it

Children will be eating their lunch at their desk

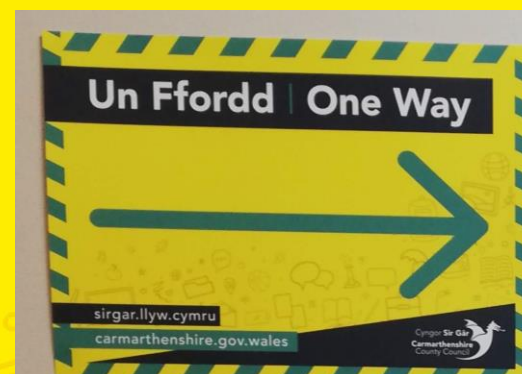

Pupils will have their own stationery

Remember to keep 2 meters apart when outside

Clear signage and floor markings

Follow the arrows to leave

High touch surface areas will be cleaned regularly throughout the school day

# Return to school a safe and positive experience
